The Stockholm Polar week – side event calendar

The Arctic Council and the Swedish Polar Research Secretariat will hold a series of meetings between March 26-29, 2012 at the Swedish Museum of Natural History in Stockholm. This will include seminars and other activities that are open to the public on an available seating basis.

The following events are scheduled for each day:

Monday 26th of March

Seminars

Time:	Description:	Location:
16.00-17.30 TBC Open seminar	<i>The Continental Shelf</i> Seminar on Arctic continental shelf issues Seminar and panel discussion Speaker: Marie Jacobsson, Ministry for Foreign Affairs Arranged by: Swedish Chairmanship	Large auditorium

THE STOCKHOLM POLAR WEEK

Tuesday 27th of March

Seminars

Time:	Description:	Location:
13.15-14.00 Open seminar	<p><i>Rephotography: a dialogue with history in an Arctic Landscape</i></p> <p>Tyrone Martinsson is a Senior Lecturer in the School of Photography at University of Gothenberg, Sweden. His research interest is the study and practice of photography in a dialogue between history and contemporary issues, with a focus on environmental issues and our relation to and perception of nature and landscape. His recent work is concerned with landscape and expedition photography, place, time and the understanding of changes in the wilderness landscape of the northwest corner of Svalbard, an archipelago in the Arctic.</p> <p>Seminar</p> <p>Speaker: Tyrone Martinsson, School of Photography, University of Gothenburg</p> <p>Arranged by: Swedish Polar Research Secretariat</p>	Large auditorium
14.00-16.00 Open seminar	<p><i>Arctic- an area in development and transition</i></p> <p>The Arctic region is undergoing significant change. Climate change creates new challenges but also opportunities. New conditions for the shipping business, trade, mineral extraction and energy recovery are emerging and parallel with it new needs of functioning infrastructure. The presence of government and commercial operators is increasing.</p> <p>Seminar</p> <p>Speaker: Arranged by: Swedish Trade Council</p>	Small auditorium
