Background

- Concept arose during the one day PP capacity workshop in Yellowknife, October 2014.
- Three day workshop planned by a small committee consisting of AIA, GCI, IPS and Canada.

Details

- Date: March 17–19, 2015.
- Location: Whitehorse, Yukon, Canada.
- Funded by Canada through a grant to IPS.
Workshop Goals:

- PPs will meet together in order to build consensus on a broad management concept for enhancing capacity and financial support
- Explore what makes a successful partnership between PPs and Foundations
- Work toward an agreement on what a PP Capacity Fund would look like and how should it be managed and marketed
- Production of a workshop paper
Thank you!
