Economic Dimension in the Work of the Arctic Council

- Follow-up to the **discussion paper** submitted by Canada to the Fairbanks SAO meeting.
 - Request to SAO's and PP's to work in an informal group to kick-start the process and come up with proposals for the Council.
- Take note of the ACS paper – **“Economic Development Activities in the Arctic Council.”**
 - Contribution to the Council's thinking.
- Further SAO discussion on the relationship between the **Arctic Economic Council** and the Arctic Council.
 - Are SAO's willing to work out the details of what this cooperative relationship should look like?
- Briefing by Guggenheim on the **Arctic Investment Protocol.**
 - Would SAO's like to receive this briefing?
