Role of Observers

The role and responsibilities of Observers, as well as criteria for admission to the Arctic Council, can be found in the "Arctic Council Rules of Procedure" (annex 2) and the "Observer Manual for Subsidiary Bodies".

The primary role of Observers is to observe the work of the Arctic Council. Observers contribute to the Arctic Council primarily through engagement at the level of Working Groups, Task Forces, and/or Expert Groups. Observers are invited to the meetings and other activities of the Arctic Council unless the Senior Arctic Officials decide otherwise. Observers may also propose projects through an Arctic State or a Permanent Participant.

Report submission

Observer reports should include the relevant information described below and in the template.

(a) A description of the Observer's contributions to the work of the Arctic Council since the time of the Observer's most recent submission, or in the previous two years, with special focus on contributions to the subsidiary bodies through project participation and support, as well as collaboration with Permanent Participants.

(b) If applicable, a description of the Observer's future plans to contribute to the work of the Arctic Council, with special focus on contributions to the subsidiary bodies through project participation and support, as well as collaboration with Permanent Participants.

(c) If applicable, a description of the Observer's contributions to other aspects of the Arctic Council and its goals not covered in the previous sections since the time of the Observer's most recent submission, or in the previous two years.

Observer reports should be submitted electronically to the Arctic Council Secretariat via email: acs@arctic-council.org.

The reports should be submitted to the Arctic Council Secretariat not later than **1 June 2018**. Please keep in mind while preparing your report that all Observer reports will be published on the official Arctic Council website (www.arctic-council.org).

If an Observer does not submit a report, the Arctic Council will consider this an indication that the Observer is no longer interested in maintaining status as an accredited Observer to the Arctic Council.
